

BACK TO SCHOOL

Screenings- Form 3300

All screenings done through our health centers will be documented on the required Georgia Form 3300.

Hearing Screening- \$15.00

Vision Screening - \$15.00

Dental Screening - \$10.00

\$40.00 Total Cost *(Includes Hearing, Vision, and Dental screenings)*

With proper documentation, records from previous hearing, vision, and dental screening conducted within the last 12 months can be transferred and placed on the needed form for a fee of \$4.00.

Certificate of Immunizations- Form 3231

All immunizations provided through our health centers will be documented on the required Georgia Form 3231.

If your child does not meet Georgia requirements, we can vaccinate your child with the needed immunization. Call the location nearest you for hours of operation *(locations are listed below)*. Fees start at \$14.75 per shot.

With proper documentation, out of state immunizations records can be transferred onto the required Georgia form 3231, at a cost of \$4.00 per child.
